

CITY OF SANTA CLARITA—FALL 2012

Santa Clarita Neighborhood Cleanup Program

The City of Santa Clarita and Waste Management have been proud to offer the Neighborhood Cleanup Program to neighborhoods for the past 6 years! This program is designed to promote community clean-up efforts for neighborhoods located in the City of Santa Clarita.

Neighborhoods may apply to the City to receive two large roll-off bins for a one-day cleanup event. Events must take place on Saturday and Waste Management will deliver the bins around 7:00 a.m. and pick up no later than 2:00 p.m.

Applications are accepted on a first come, first serve basis. Neighborhoods are eligible to submit one application per calendar year. The required application form must be received at least four (4) weeks in advance of the desired event. The program is not intended for personal use.

Contact (661) 286-4098 for a program application and more information.

2011 Neighborhood Clean Up Volunteers

Tire Recycling Event

Los Angeles County is holding a tire recycling event right here in Santa Clarita! Residents are encouraged to bring used tires to the free event on Saturday, September 29 2012. Tires will be accepted and recycled free of charge. Don't miss the opportunity to get rid of tires sitting in your yard, garage or community. Thousands of residents have taken advantage of this service throughout Los Angeles County.

Santa Clarita - Saturday, September 29, 2012
9 am - 3 pm, at Westfield Valencia Town Center Mall,
Parking Lot 6H - Magic Mountain Parkway and Citrus Street

Restrictions:

- Tires from LA County residents only.
- No tires from businesses.
- No oversized or tractor tires. Rims accepted.
- If you transport 10 or more tires per trip, please contact the Public Health Department a week ahead at (626) 430-5540 to obtain a tire transport form.

For information on other available events, please visit: <http://dpw.lacounty.gov/epd/tirerecycling/collection.cfm>

12th Annual Make a Difference Day

Although every day is a good day to volunteer, "Make a Difference Day" allows residents, businesses, schools, youth and service groups to join millions of volunteers across America in donating time and talents to better their community.

Make a Difference Day is on Saturday, October 27, 2012 and a great way to help your community. Part of the country's largest volunteer service effort, Make a Difference Day is hosted locally by HandsOn Santa Clarita, in partnership with the City of Santa Clarita.

Last year, over 2000 volunteers participated in projects throughout the Santa Clarita Valley benefiting charities, health and family service agencies and schools. Projects are "hands-on" and create positive results in one day.

Since 1997, HandsOn Santa Clarita has been providing support and resources to meet the needs of the Santa Clarita Valley community. They encourage volunteerism, promote philanthropy and build the capacity of local non-profit organizations by offering tools, training, networking, and connections to volunteers, groups, and businesses.

For more information email Makeadifferenceday@handsonscv.org or call (661) 257-1997.

HAVE OLD PAINT?

On July 19th, CalRecycle signed and approved the PaintCare Architectural Paint Stewardship Program.

Stay tuned to GreenSantaClarita.com and this newsletter for more information on this exciting new program!

SAVE MONEY WITH WM'S SUPER-SAVER PROGRAM!

Many Santa Clarita residents are "Super Recyclers" and do not require a large trash cart at home. WM and the City of Santa Clarita remind "Super Recyclers" that they can save money and the environment with the "Super Saver" program.

How do I sign up?

Upon customer request, WM will provide eligible customers with a 35-gallon "Super Saver" cart. The "Super Saver" rate is 20 percent less than standard trash service. Customers who opt for this service must return their larger trash cart.

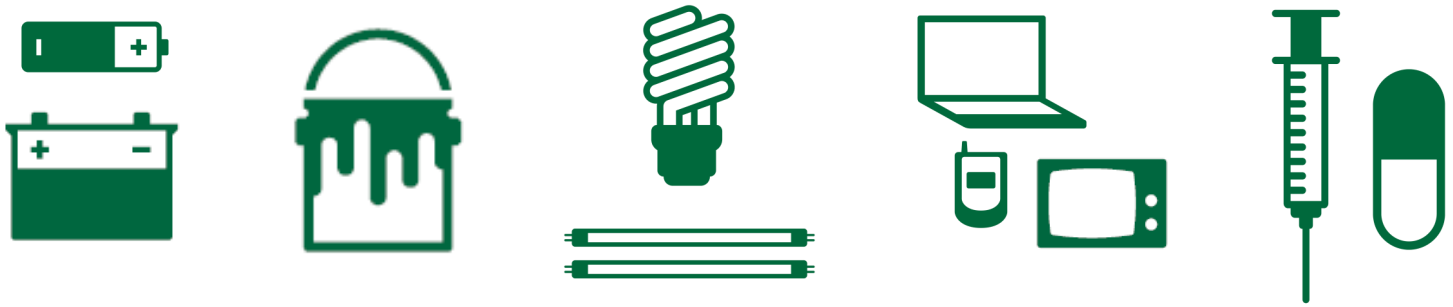

Ideal candidates for the "Super Saver" program only fill their current 96-gallon trash cart about 1/3 full on a weekly basis.

THESE ITEMS ARE RECYCLABLE!

Cereal boxes and similar material	Paper & plastic bags	Newspapers	Phonebooks, catalogs & magazines
Cardboard milk & juice	All paper & junk mail	Glass bottles & jars	Clean aluminum foil & tray
Flattened cardboard boxes	Plastic bottles & containers	Aluminum cans	Tin or steel cans

THESE ITEMS REQUIRE SPECIAL DISPOSAL!

DO NOT put any of these items in your trash or recycling bins! Household hazardous waste, like batteries, paint, compact fluorescent light bulbs and tubes, sharps and pharmaceuticals, and any other hazardous chemicals can be dropped at the locations below. Get more information on sharps kits and bulky item pickups for electronic waste on pg. 3.
