*\*These materials are compostable.*

*\* Look for shipping stores that reuse peanuts*

Save this insert for future reference.

# Recycling and Diversion Programs

Participate in the following recycling and diversion programs to reduce your trash and recycling collections.

**Curbside Cell Phone and Household Battery Collection** – Residents may place unwanted cell phones and used household batteries in a clear plastic storage bag and place them on top of their recycle cart for collection. For added safety, remove any personal data from your phone before collection. Used batteries accepted for collection include AA, AAA, C, D, 9-volt, Alkaline, Rechargeable, Lithium and coin cells, and small button-size.

**Bulky Item Collection** – Waste Management will retrieve up to five large items such as furniture or appliances three times annually. To schedule a bulky item pick up, contact Waste Management at 866-WM RECYCLE or 760-929-9400 at least 24 hours in advance of your regular collection day.

**Electronic Waste (E-Waste) Collection and Drop-off** – Residents have two ways to recycle electronic items such as televisions, computers, printers and fax machines. Waste Management will retrieve up to five e-waste items three times annually at curbside. To schedule an e-waste pick up, please contact Waste Management at 866-WM RECYCLE or 760-929-9400 at least 24 hours in advance of your collection day. E-Waste may also be dropped off at Waste Management's buyback center, Tuesday through Saturday, 8 a.m. to 4 p.m. at no charge. Proof of Carlsbad residency is required.

**Sharps Drop-off and Mail Back** – There are several safe disposal options for individuals who require medication at home that are administered through needles, lancets or syringes. Residents can continue to utilize the free drop off container at the Waste Management Buyback Center located at 5960 El Camino Real, Tuesday through Friday, 8 a.m. to 4 p.m. Waste Management also provides a Sharps mail back program for convenient disposal from home. Please visit <http://medwaste.wm.com/> for more information or to place an order for a mail back container.

**Household Hazardous Waste Drop-off** – There are three collection programs to provide residents options for the safe and legal disposal of Household Hazardous Waste (HHW). Two HHW drop-off facilities are available for resident use at no charge. The Oceanside Facility (2880 Industry, Oceanside) is available every other Saturday, by appointment only. To schedule an appointment, contact Waste Management at 866-WM RECYCLE or 760-929-9400. The Vista Facility (1145 East Taylor Street, Vista) is open every Saturday, 9 a.m. – 3 p.m., and no appointment is needed. For more information call 800-714-1195. The city also provides a door-to-door program that allows residents to make an appointment to have their HHW picked up at their residence for a \$10 co-pay. For more information, or to set up an appointment, call 800-714-1195. The city also holds a one day annual event on a Saturday in April. Proof of Carlsbad residency is required.

**Holiday Tree Collection** – Holiday trees are collected curbside for the first two weeks following Christmas on your regular collection day. Trees taller than six feet must be cut in half. Please remove all decorations including tinsel, lights, ornaments and tree stands. Place the tree at the curb. Flocked trees cannot be recycled, so they will be collected by your trash collector on your regular collection day.

**Buyback Center** – Located at 5960 El Camino Real, the buyback center is open Tuesday through Friday, between 8 a.m. and 4 p.m. Residents can bring CRV aluminum cans, plastic and glass bottles, newspaper, mixed paper and cardboard to recycle. Also accepted are used household batteries, Sharps and e-waste. Proof of Carlsbad residency is required for the free drop-off of Sharps and e-waste.

**New**

**Starting July 1, 2012**

**Visit Waste Management's website for more information.**
