

Waste Management Internal Eligibility Requirements

To be eligible to apply for a new position, a non-exempt (non-salaried) employee must have at least six (6) months of service in his or her current position, and an exempt (salaried) employee must have at least twelve (12) months. Any exceptions must be approved by Human Resources and the Hiring Manager. In addition, an employee's performance and attendance must be in good standing to be considered for a position.

All employees must notify their current manager or supervisor before applying for an open position.
