#### Summer 2024

Brought to you by WM, Irvine's residential waste service provider.

### Help Prevent Truck Fires

In the summer, many of us spend time in the pool and grilling outdoors, and proper disposal of coals and chemicals remains a challenge.

Just as coals help a fire start in a barbecue or a pit, they can also start a fire inside the trash container or in the collection truck.

### Proper Coal Disposal

Always allow for coals and ashes to cool for at least 48-72 hours in the grill/pit before placing in the trash.

## Never place coals and ashes in the recycling or green waste containers.

Pool chemicals, as well as other common household hazardous wastes such as batteries, oil, and propane tanks can also spark fires. These materials require special handling and should never be disposed of in trash, recycling, or green waste containers. Orange County residents can conveniently dispose of household hazardous waste safely, and for free, at any of these four drop off locations.

### WM Holidays

New Year's Day 4th of July Thanksgiving Day Memorial Day Labor Day Christmas Day

Residential collection service will be delayed one day following these holidays. If a holiday falls on a Saturday or Sunday, there will be no delays.

### Organics Update

As of April 1st, you may now place your food waste in a paper bag or in a clear or translucent compostable bag!

You may also place your food waste directly on top of your yard waste in your green lid organics cart.

### Irvine Senior and Low Volume Discounts

To qualify for the **Senior Discount**, residents must be 65 years of age or older and head of the household.

To qualify for the **Low Volume Discount**, your household must use the

smallest size trash cart. Once you receive a 35-gallon trash cart the discount will be automatically applied.

## Please note you may have only one discount placed on your account.

To obtain a copy of the Senior Discount form or for more information on the Low Volume Discount, contact WM Customer Service.

### Need a New Cart?

If you would like to request a different sized or additional trash, recycling, or green waste cart, or if yours is damaged or broken, please contact Customer Service at (949) 642-1191.
