Residential Trash and Recycling Service Guide

Free Your Recyclables

Please place all recyclables such as cans, bottles, and cardboard directly into the recycling cart without any bags. Bagged recyclables and plastic film should never be placed in your recycling container as these materials tangle equipment at recycling facilities and contaminate recycling loads. This poses a safety risk to workers and reduces the chance these items are recycled. If recyclables are collected in bags, please empty them directly into the container and place the bag in the trash if it cannot be reused. For information about where to recycle plastic wrap and bags, please visit plasticfilmrecycling.org.

Monthly Residential Service Rates

32-Gallon Cart Service \$38.73

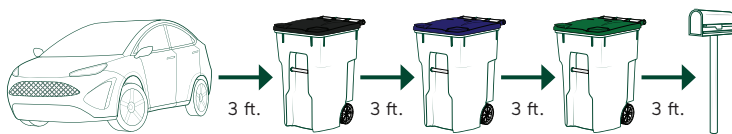

64-Gallon Cart Service \$54.63

96-Gallon Cart Service \$60.41

*Three container service (Trash, Recycle and Organics). Rates includes 3% IWMA Fee. A complete list of service and rates is available at home. wm.com/templeton.

Service Guidelines

Please place the wheels of each cart toward your house and your carts at least three (3) feet apart and three (3) feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to safely lift and empty your carts.

- Place all trash, recyclables, and organics material in the appropriate containers and make sure that the cart lid is closed.
- Have your carts at the curb the night before or no later than 6 a.m. on your collection day.
- Be aware that an additional charge of \$5 per bag will be applied if the household waste cart is overloaded or if extra bags are left for pickup. If you should have extra waste, please call WM so that we may alert your driver of the additional pickup.

SB 1383: Statewide Mandatory Organic Waste Collection

Effective Jan. 1, 2022, all California businesses, multifamily complexes, and residences are required to separate organic waste from trash and subscribe to an organics collection program. Organics consist of food scraps, compostable food-soiled paper, and yard waste. SB 1383 was passed to divert more food waste and yard trimmings from our landfills to further reduce greenhouse gas emissions and slow climate change. For more information, visit www.iwma.com/sb-1383.

Holiday Schedule

Collection does not occur on the following holidays:

**New Year's Day | Memorial Day
Independence Day | Labor Day
Thanksgiving Day | Christmas Day**

When a holiday falls on a weekday, collection will be delayed one day for the remainder of the week. If a holiday falls on a Saturday or Sunday, there will be no delay in service.

Additional Services

Additional, Missing or Damaged Carts

Please contact WM Customer Experience to request changes to your service, such as adding an additional recycling cart or to report a damaged or missing cart.

Holiday Tree Recycling

Cut trees into pieces 3 feet or smaller and place in your organic waste cart to be picked up on your regular collection day. Please remove all decorations including tinsel, lights, ornaments, and tree stands.

Temporary Bin & Roll-Off Service

Large bins and roll-off containers are available to help you dispose of waste from your home remodeling, clean out, or landscaping project. For additional information, please contact WM Customer Experience.

Special Services

Household Hazardous Waste (HHW)

Templeton residents can dispose of up to 15 gallons or 125 pounds of Household Hazardous Waste (HHW) per trip at no charge at the HHW Facility located at the Chicago Grade Landfill operated by the SLO County IWMA. Drop off is open Saturdays from 11 a.m. to 3 p.m. For more information on accepted HHW items, contact the IWMA at (805) 781-8530 or visit www.iwma.com/recycling-guide.

Clean Up Weeks

Clean-Up Weeks are provided for Templeton Residential Customers twice per year. During these weeks, each residential customer will be able to set out up to twelve (12) standard 32-gallon trash bags (not to exceed 40 pounds per bag) on their regular collection day at no additional charge. The Fall Clean Up is for organics and will be held on Nov. 16. The Spring Clean-up Event will be held April 28-30.

To dispose of large bulky items, such as furniture and appliances, please contact WM Customer Experience for details and pricing.

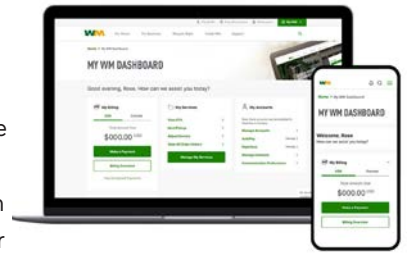

Customer Service
