

Coming Soon Automated Collection with 96-gallon Carts

Dear City of Parkland Resident,

WM is pleased to continue as your environmental services provider collecting your trash, recycling and bulk items.

Beginning the week of September 9, a 96-gallon green trash cart will be delivered to your residence.

WM will begin its automated collection program for trash the week of September 30. Our new trucks will use automatic lifting arms to empty your green cart, making collection efficient and safer for your community and our drivers.

See the back side for more information.

Important Cart Information:

A 96-gallon green trash cart will be delivered to each residence beginning the week of **September 9**.

Your collection service days WILL NOT change.

3831 NW 21st Avenue
Pompano Beach, FL 33073

As a reminder:

- Please **BAG YOUR TRASH** and place **INSIDE** your new green cart.

New Overflow Route

- WM will provide an overflow pick up one time per week. If you have **extra trash** that does not fit in your cart, please **bag it**, and place it beside your recycle cart. Extra horticultural waste that does not fit in your cart (palm fronds, small tree branches) should be tied in four-foot bundles not to exceed 50 pounds and placed curbside. This **overflow trash** not containerized in your cart **will be collected on your Recycle day ONLY**.
- Bulk trash (furniture, white goods, large vegetation) **WILL NOT** be collected with this extra overflow trash and your bulk service will remain on its monthly schedule.
- Place your cart at the edge of your driveway the night before or **no later than 7 am** on your trash collection day. **DO NOT** place carts in the street.

Proper cart placement for automated collection

Remember to place your cart at least 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the cart. **Place wheels of cart toward house.**

TO DISCARD YOUR OLD TRASH CART, PLEASE PLACE IT CURBSIDE ON YOUR BULK COLLECTION DAY **ON ITS SIDE**.

There will be no changes to recycling services. Please continue to use your white and green recycling carts. Place recycling materials loose in your recycling cart, and **DO NOT** bag your recyclables. Plastic bags and plastic liners are not recyclable in City recycling carts.

Questions? If you would like to change your cart to a smaller 65-gallon trash cart

AFTER October 14 at no charge, or order another 96-gallon or 65-gallon cart for a one-time fee of \$100 per cart, please contact WM at **(954) 974-7500** or visit home.wm.com/parkland-fl.
