MANAGING EXTRA WASTE

WM is committed to enhancing the cleanliness of Lyon County’s neighborhoods by offering three alternative ways to dispose of extra waste at no additional cost.

1 Use the free **voucher** mailed to you. You can dispose of up to four yards of waste at our transfer stations.

2 Take advantage of the neighborhood cleanup events. Set bulky waste outside during the weeks of July 14 and October 14. WM will mail two free **stickers** to dispose of large items.

3 Standard service level includes one 96-gallon cart and one yard (six 32-gallon bags) of extra waste collected curbside weekly. Items should be under 50 pounds and no greater than 3’x3’x3’. See rate sheet to the left for additional service levels.
