

How To Read Your WM September Invoice

Starting July 1, 2024, the Per Unit Fee (“AB 939 Recycling”) is not included on your property tax bill, and will be charged on the WM invoice.
 Single-family homes are considered “One Unit”.

- 1

The line “Billing Debit...” is the per unit fee for July and August that was not billed on your property tax bill. The fee is from the 9/1/23 to 9/1/24 per unit rate of \$6.60 per month. This “back-bill” will not appear on future invoices.
- 2

The line “Monthly Recycle” is the per unit fee for September, October and November. The fee of \$22.44 is for three months from the 9/1/24 to 9/1/25 rate of \$7.48 per month. This will appear on all future invoices and not your property tax bill.
- 3

The size, quantity, and quarterly cost of the trash container.
- 4

This is the size and quantity of Green Waste (Organics) and Recycle carts. The costs of these services are included the “Monthly Recycle” charge.
